

12 screams of christmas

Book Concept: 12 Screams of Christmas

Logline: Twelve seemingly unrelated holiday disasters unravel a centuries-old curse threatening a quaint New England town, forcing a skeptical journalist and a quirky historian to collaborate to save Christmas – before it's too late.

Target Audience: Fans of cozy mysteries, holiday fiction, paranormal thrillers, and historical fiction.

Storyline/Structure:

The book follows Sarah, a cynical journalist assigned to cover the annual Christmas festival in the idyllic town of Hollybrooke. Hollybrooke, however, is experiencing a series of increasingly bizarre and terrifying events, each coinciding with a specific Christmas tradition. These "Screams of Christmas" range from a possessed nativity scene to a killer gingerbread house and a rogue carol choir with a chilling secret. Sarah initially dismisses them as pranks or coincidences, until she meets Professor Alistair Finch, a local historian obsessed with the town's mysterious past. Alistair believes the events are linked to an ancient curse tied to the town's founding, and only by deciphering cryptic clues hidden within Hollybrooke's history can they break the curse and save Christmas. Each chapter focuses on one of the twelve "screams," interweaving the present-day mystery with flashbacks revealing the history of the curse. The climax involves a confrontation with the source of the curse during the town's Christmas Eve celebration.

Ebook Description:

This Christmas, your holiday cheer is about to be shattered. Are you tired of predictable holiday stories? Do you crave a thrilling mystery that will keep you on the edge of your seat until the very last page? Then prepare for the most terrifying Christmas of your life!

For journalist Sarah Walker, a quiet assignment in the quaint town of Hollybrooke turns into a nightmare. Strange and terrifying events plague the festive season, leaving a trail of panic and suspicion. From haunted decorations to deadly traditions, Sarah must confront a chilling truth: Hollybrooke is cursed.

Discover the secrets within "12 Screams of Christmas" by [Author Name]:

Conclusion: A thrilling climax during Christmas Eve, culminating in a confrontation with

the curse and a surprising twist.

This captivating blend of cozy mystery and paranormal thriller will leave you breathless until the very end. Prepare for a Christmas unlike any other!

Article: 12 Screams of Christmas: Unraveling the Festive Fright

This article delves deeper into the core concepts of the "12 Screams of Christmas" book, exploring each outlined section in detail.

1. Introduction: Setting the Stage for Holiday Horror

The introduction serves as a crucial hook, establishing the atmospheric setting of Hollybrooke. This charming New England town, with its picturesque snow-dusted streets and festive decorations, creates a deceptive sense of security. However, beneath the veneer of holiday cheer, a sinister undercurrent simmers, hinting at the impending horrors. The introduction should immediately introduce Sarah, our protagonist, highlighting her skepticism and journalistic approach to the unfolding events. The first strange occurrence—perhaps a minor, unsettling event—sets the stage for the escalating chaos to come. This could involve a seemingly harmless incident escalating into something more sinister, establishing a sense of unease and foreshadowing the darker events to unfold. The reader is introduced to the core conflict – the contrast between the idyllic image of Christmas and the unsettling reality of the town’s dark secret.

Keywords: Christmas mystery, holiday horror, New England setting, atmospheric introduction, protagonist introduction, foreshadowing.

2. Chapters 1-12: Twelve Days of Terror

Each chapter focuses on a specific “scream,” a unique and terrifying event linked to a traditional Christmas custom. This structure allows for a varied and engaging narrative, preventing monotony. Examples:

Chapter 1: The Possessed Nativity: A seemingly innocent nativity scene comes alive, acting in a disturbing and threatening manner. This chapter could explore folklore related to nativity scenes and demonic possession.

Chapter 2: The Killer Gingerbread House: A seemingly delectable gingerbread house becomes a deadly trap, hinting at dark secrets embedded within the town's history.

Chapter 3: The Rogue Carol Choir: A seemingly innocent carol choir sings songs with hidden, sinister meanings that predict future events or hold clues to the curse.

Chapters 4-12: Each chapter similarly focuses on a specific Christmas tradition, transforming it into a source of terror: decorating the tree, hanging stockings, attending the Christmas Eve service, opening presents, etc., escalating in intensity and revealing more clues about the curse.

Each “scream” should be meticulously crafted, blending elements of suspense, horror, and

folklore. The chapters should also seamlessly integrate flashbacks revealing the history of the curse, providing context and gradually deepening the mystery.

Keywords: Christmas traditions, holiday horror stories, suspense, folklore, mystery, historical flashbacks, cursed objects, escalating tension.

3. Conclusion: Confronting the Curse and a Twist Ending

The conclusion brings together all the loose ends, culminating in a final confrontation with the source of the curse. This confrontation should be dramatic and suspenseful, mirroring the escalating tension throughout the book. The climax takes place during Christmas Eve, symbolizing the battle between good and evil, tradition and chaos. The revelation of the curse's origin and its connection to Hollybrooke's history should be satisfying and well-earned. The ending should offer a sense of closure while leaving a lingering sense of unease, perhaps with a subtle twist hinting at the curse's possible return or suggesting the possibility of other hidden threats. The relationship between Sarah and Alistair may evolve, solidifying their bond forged through their shared experience.

Keywords: Climax, confrontation, resolution, twist ending, suspense, Christmas Eve, folklore, historical revelation, character development.

FAQs

1. Is this book suitable for all ages? No, this book contains elements of horror and suspense, making it more suitable for mature readers.
2. Are there any graphic depictions of violence? While the book contains suspenseful and frightening elements, graphic violence is avoided.
