These words are woven seamlessly into the narrative, appearing naturally within sentences and dialogue. The storyline progresses as Alex solves puzzles and overcomes obstacles, with each solved puzzle revealing a new set of words. For example, in Chapter 1, Alex might need to decipher a riddle using the words "the," "a," "is," "and," "to" to unlock a secret passage. The words are not just presented; they become integral to the narrative's progression. The integration of visual aids such as maps and illustrations reinforces the context and meaning of the words.
