It's not merely about abstaining from food; it's a holistic experience impacting the mind, body, and spirit. This introduction lays the groundwork for understanding the profound impact of this ancient practice in the modern context.

H2: Part 1: The Foundation (Weeks 1-4)

H3: Preparing for the Journey: This initial phase is crucial. It involves physical preparation (gradually reducing food intake), mental preparation (setting clear intentions and goals), and spiritual preparation (seeking guidance through prayer and scripture).
