Book Concept: 48 Hours: Crime & Punishment

Logline: A gripping race against time unfolds as a seasoned detective investigates a seemingly impossible crime, forcing him to confront his own past and the murky lines between justice and revenge within a brutal 48-hour deadline.

Storyline:

The novel follows Detective Inspector Thomas Ashton, a man haunted by a past unsolved case. When a prominent politician is brutally murdered, seemingly with no witnesses and impossible forensic evidence, Ashton is thrust into a 48-hour window to solve the crime before a city-wide panic erupts and the killer strikes again. The clock is ticking, and every lead is a dead end. Ashton's relentless investigation uncovers a conspiracy that reaches the highest echelons of power, forcing him to question everything he believes in and confront his own demons. The narrative alternates between the fast-paced present-day investigation and flashbacks revealing Ashton's past trauma and its connection to the current case. The climax involves a thrilling showdown where Ashton must make impossible choices, blurring the lines between justice and vengeance. The ending leaves a lingering question about the true price of justice.
