structure and function of the Ministry, examining its various departments and the individuals who have shaped its policies. We'll explore instances of corruption and incompetence, showcasing how power imbalances can lead to injustice and oppression. The fight for justice within the Ministry, often spearheaded by characters like Hermione Granger, will be explored as a key element in challenging the status quo.

Chapter 5: Magical Creatures and their Role in Wizarding Society: Examining Symbiosis and Exploitation

The Harry Potter world is teeming with diverse magical creatures, ranging from loyal companions to dangerous beasts. This chapter explores the complex relationship between humans and magical creatures, examining instances of both symbiosis and exploitation.
