Book Concept: Alice in Bibleland: A Journey Through Faith and Folklore

Concept: This isn't your grandmother's Sunday school. "Alice in Bibleland" reimagines Lewis Carroll's classic tale, transplanting Alice into the vibrant, often paradoxical world of the Bible. Instead of Wonderland, she navigates the bewildering landscapes of the Old and New Testaments, encountering iconic figures – from Abraham and Moses to Jesus and the Apostles – not as static historical figures, but as living, breathing personalities with flaws, contradictions, and surprising humor. Each encounter becomes a lesson in faith, history, and the enduring power of storytelling, all framed within a captivating adventure narrative.

The book will be a series, with each installment focusing on a different thematic area of the Bible (e.g., Creation, Exodus, the Gospels, Revelation). This allows for a deeper dive into specific stories and their relevance to contemporary life, while maintaining a consistent narrative thread through Alice's journey. The series aims to be both engaging for children and thought-provoking for adults, offering a fresh perspective on familiar stories.

Ebook Description:

Ever felt lost in the vast and sometimes confusing world of the Bible? Yearned for a fresh, engaging way to understand its stories and characters? Then prepare for an unforgettable adventure!

"Alice in Bibleland" breathes new life into biblical narratives, guiding you through a captivating journey with Alice as your unlikely guide. Forget dry lectures and tedious interpretations – this series makes learning about the Bible fun and relatable.

Struggling with:

Understanding complex biblical themes?
Connecting ancient stories to modern life?
Finding a relatable way to explore your faith?

Then this series is for you!

Book Title: Alice in Bibleland: Book One - Seeds of Creation

Contents:

Introduction: Setting the scene – Alice's unexpected arrival in Bibleland and introduction to its unique rules.

Chapter 1: The Garden of Eden - A Twisted Paradise: Exploring the creation narrative, the fall of man, and the enduring themes of temptation and free will.

Chapter 2: Giants and Gods: Encounters with the Patriarchs: Meeting Abraham, Isaac, and Jacob, examining their struggles and triumphs, and understanding God's covenant.

Chapter 3: Exodus: Escape from Egypt: A thrilling retelling of the Exodus, emphasizing themes of freedom, oppression, and divine intervention.

Chapter 4: The Law and the Prophets: Alice grapples with the complexities of the Mosaic Law and encounters key prophetic figures.

Conclusion: Alice reflects on her journey and the lessons learned, offering a takeaway message of faith, hope, and understanding.

Alice in Bibleland: Book One - Seeds of Creation - A Detailed Exploration

1. Introduction: Setting the Scene - Alice's Unexpected Arrival in Bibleland

This introductory chapter sets the tone and establishes the premise. Alice, bored with her usual adventures, stumbles upon a hidden portal (perhaps a particularly ornate Bible) that transports her to a fantastical landscape reminiscent of the Garden of Eden. However, this Eden is not the idyllic paradise of traditional depictions. It's a place of both beauty and danger, reflecting the complexities of the biblical narrative. We introduce the rules of Bibleland - the laws of the universe are fluid, influenced by divine intervention and the whims of its inhabitants. Alice's initial confusion and bewilderment are crucial to engaging the reader and creating a sense of wonder. We establish the overarching narrative arc: Alice's journey through pivotal biblical stories, learning about faith, history, and herself along the way. The chapter concludes with Alice's first encounter, a mysterious character who acts as her guide (perhaps a cherub or an angel).

1. Chapter 1: The Garden of Eden - A Twisted Paradise

This chapter explores the creation narrative from Genesis, but not in a simplistic, Sunday-school fashion. We focus on the ambiguities and paradoxes of the story. What does it truly mean to be created in God's image? What is the nature of temptation and free will? Alice's perspective allows for a more childlike yet insightful questioning of the narrative. The chapter can include imaginative scenes of the Garden, filled with talking animals and unusual flora. The fall of man is depicted not just as a simple act of disobedience, but as a complex exploration of human nature, exploring themes of knowledge, power, and consequence. We use Alice's childlike curiosity to challenge readers to rethink their understanding of this foundational biblical story.

1. Chapter 2: Giants and Gods: Encounters with the Patriarchs

This chapter focuses on the patriarchal stories – Abraham, Isaac, and Jacob. We shift the narrative focus to present these figures not as static heroes, but as flawed, complex characters with internal struggles and questionable actions. Alice's interactions with them reveal their human side – their doubts, their fears, and their moments of great faith. The chapter explores the concept of God's covenant and its implications. We utilize Alice's naive perspective to ask challenging questions: Is God fair? Is faith blind? Does God test his people? Through these dialogues, we encourage critical thinking about the relationship between humans and the divine.

1. Chapter 3: Exodus: Escape from Egypt

This chapter recounts the Exodus story, but with an emphasis on the human element. We focus on the suffering of the Israelites under slavery, the courage of Moses, and the miraculous events that lead to their liberation. Alice witnesses the plagues, the parting of the Red Sea, and the wanderings in the desert, experiencing them through vivid sensory details. The chapter highlights themes of freedom, oppression, and the power of collective action. Alice's perspective allows for exploration of the moral dilemmas involved: Is revenge justifiable? How do we balance compassion with justice? The chapter ends with a poignant reflection on the concept of freedom and its responsibilities.

1. Conclusion: Alice Reflects on Her Journey

This concluding chapter brings Alice's journey to a close. She reflects upon her experiences in Bibleland, the lessons learned, and the enduring questions that remain. Instead of neatly tying up all loose ends, the conclusion encourages further exploration and reflection. It acknowledges the complexities and paradoxes of the Bible, suggesting that faith is a lifelong journey of discovery and understanding, not a destination. Alice's newfound understanding of faith and history is subtle yet significant, hinting at a continued journey in future volumes.

FAQs:

1. Is this book only for children? No, it's designed to appeal to a wide audience, offering engaging narratives and thought-provoking themes for both children and adults.

2. Is it a literal retelling of the Bible? No, it's a reimagining, using Alice's adventures to explore key biblical themes in a fresh and accessible way.
3. Does it promote a particular religious viewpoint? No, it aims to foster understanding and critical thinking about the Bible and its stories, regardless of religious background.
4. What age range is this book suitable for? It's suitable for ages 8 and up, with adult supervision recommended for younger readers.
5. How many books will be in the series? The planned series will encompass several books, covering different thematic areas of the Bible.
6. Is there any violence or frightening content? While some biblical stories involve conflict, the book will handle these themes with sensitivity and age-appropriateness.
7. Will there be illustrations? Yes, the ebook will feature illustrations to enhance the reading experience.
8. What makes this book different from other Bible stories for children? The unique blend of Lewis Carroll's whimsical style with the depth and complexity of biblical narratives.
9. Where can I purchase the book? The book will be available on major ebook platforms.
