consists of two sections:

Section I: Multiple Choice (45% of total score): This section contains approximately 70-75 multiple-choice questions focusing on grammar, syntax, vocabulary, and comprehension of short Latin passages. It tests your ability to identify grammatical structures, understand vocabulary in context, and interpret meaning from short excerpts.

Section II: Free-Response (55% of total score): This section assesses your ability to translate and analyze longer passages of Latin text. It usually includes:

Translation (25% of total score): Requires translating a passage of Latin prose into accurate and idiomatic English.

Prose Composition (25% of total score): This requires composing a short passage of Latin prose based on given English instructions, demonstrating your mastery of grammar and vocabulary in a creative setting.

Sight Translation (5% of total score): Translation of a previously unseen passage, testing your understanding of grammar and vocabulary beyond memorized material.
