1. Introduction: The World Before the Walls - Setting the Stage

Keywords: Attack on Titan, Pre-Cataclysm, Eldian Empire, Marley, World History, Political Landscape

The introduction establishes the world outside the Walls before the events of the main Attack on Titan storyline. We delve into the historical context, painting a picture of the political landscape dominated by the Eldian Empire, its vast power, and its ultimate downfall. This section establishes the geographical setting, exploring different regions and kingdoms, outlining the key players and their motivations, hinting at the future conflicts that shape the world within and beyond the walls. It sets the tone for the book, highlighting the impending doom and the crucial decisions that lead to the catastrophic fall of the Eldian Empire and the construction of the Walls. The narrative focuses on creating a vivid depiction of the time before the walls, setting the stage for the rest of the book and offering essential context for understanding the events to come. It explains the general cultural and societal norms of that time, including the status of Eldians and other ethnic groups.

2. Chapter 1: The Rise of the Eldian Empire - Power, Conquest, and the Genesis of the Titans

Keywords: Eldian Empire, Ymir Fritz, Founding Titan, Conquest, War, Titan Power

This chapter explores the meteoric rise of the Eldian Empire, focusing on its military prowess and the pivotal role of Ymir Fritz and the Founding Titan. We examine the empire's expansionist policies, the brutal conflicts it waged, and the gradual development of the Titan powers. The narrative details the strategies employed by the Eldians, the impact on conquered peoples, and the seeds of future resentment and rebellion. This chapter provides essential insight into the origins of the conflict that ultimately shapes the series, focusing on the complexities of power, ambition, and the catastrophic consequences of unchecked aggression. We analyze the methods used by the empire to maintain its control, and the various factors contributing to its eventual decline.

3. Chapter 2: The Founding Titan and the Secret of Ymir Fritz - Unveiling the Origins of Titan Power

Keywords: Ymir Fritz, Founding Titan, Titan Powers, Origins, Mythology, Eldian Lineage

This chapter delves into the mysterious origins of the Founding Titan and Ymir Fritz herself. We explore various theories and interpretations of her story, examining the mythological and historical elements intertwined in her legend. The chapter unravels the mysteries surrounding the nature of Titan powers, their limitations, and their inheritability within the Eldian bloodline. This chapter focuses on uncovering the secret of Ymir's power and how it shaped the Eldian Empire's destiny. We examine the ethical implications of her power, discussing its control, misuse and unintended consequences, and how it became a central factor in shaping the conflict that follows.

4. Chapter 3: The Walls' Construction: A Monument to Lies and Deception - Examining the Engineering and Political Intrigue Behind the Walls

Keywords: Wall Maria, Wall Rose, Wall Sina, Construction, Engineering, Political Intrigue, Deception, Eldian Royalty

This chapter focuses on the intricate details surrounding the construction of the three Walls—Maria, Rose, and Sina. We delve into the engineering feats required, the logistical challenges overcome, and the political maneuvering behind the decision to enclose humanity. The chapter examines the deliberate deception employed by the Eldian monarchy to control its populace, highlighting the manipulation and the long-term consequences of these actions. It explores the roles of different factions involved in the construction and how this action permanently altered the course of human history.

5. Chapter 4: The Whispers of Rebellion: Early Resistance Movements - Exploring the Seeds of Dissent and Early Opposition

Keywords: Rebellion, Resistance, Marley, Opposition, Underground Movements, Eldian Oppression

This chapter examines the early stirrings of rebellion against the Eldian Empire, both within and beyond its borders. We focus on the various groups who resisted Eldian dominance, exploring their motivations, strategies, and the challenges they faced. The chapter highlights the brutality of the empire's response to dissent and the lasting impact of these early conflicts on the future of the world. The chapter also examines the role of Marley and how their actions influenced the resistance movements. It delves into specific events and historical examples of these rebellions, focusing on the characters, motivations, and consequences of their actions.

6. Chapter 5: The Hundred Years' Peace: A Precarious Balance - Analyzing the fragile peace and the factors leading to its collapse

Keywords: Hundred Years' Peace, Fragile Peace, Political Intrigue, Economic Instability, Social Unrest, Collapse

This chapter analyzes the period known as the "Hundred Years' Peace," highlighting the underlying tensions and instabilities that ultimately led to its collapse. We delve into the political maneuvering, economic hardships, and social unrest that contributed to this period's fragility. The chapter explores the simmering resentment and the factors that eventually triggered the cataclysmic events that follow, revealing the cracks in the foundation of this apparent peace. We analyze the key decision-makers and their roles in this fragile peace, explaining how their actions contributed to its eventual failure.

7. Chapter 6: The Shadowy Figures: Unveiling the Hidden Players - Illuminating the unknown and influential figures who played a critical role

Keywords: Unsung Heroes, Hidden Agendas, Secret Societies, Unknown Influences, Powerful Figures, Conspiracy

This chapter introduces lesser-known individuals and groups who wielded significant influence behind the scenes. We explore their motivations, hidden agendas, and the crucial roles they played in shaping the course of events. This chapter focuses on unveiling the shadowy figures and organizations that influenced the fate of the Eldian Empire and the subsequent events leading to the main storyline. We analyze the impact of these figures, exploring their connections to the main events and how their actions shaped the world as it is presented in the main series.

8. Conclusion: The Inevitable Fall - Setting the Scene for the Main Series

Keywords: Cataclysm, Collapse, Titans, Walls, Legacy, Final Confrontation

The conclusion summarizes the events leading to the fall of the Eldian Empire and the subsequent events that set the stage for the Attack on Titan story. We emphasize the long-term consequences of the decisions made and the impact on the surviving population enclosed within the Walls. The conclusion also offers a bridge to the main series, connecting the events of this prequel to the established narrative.
