The Brand of Sacrifice is more than just a physical mark; it's a constant reminder of Guts' trauma and a magnet for demonic entities. This chapter explores the debilitating effects of the Brand, not only on Guts' physical well-being (constant pain, vulnerability to demonic attacks) but also on his mental state. We examine how the Brand impacts his relationships, pushing him further into isolation even as he seeks companionship. Chapter 4: The Echoes of Griffith: A Phantom's Unending Influence

Griffith, now Femto, casts a long shadow over every aspect of Guts' existence. This chapter examines the extent to which Griffith's actions and presence continue to shape Guts' choices and motivations. Even in his absence, Griffith acts as a driving force behind Guts' relentless pursuit of revenge. We dissect the psychological manipulation Griffith exerted on Guts in the past, and how its lasting impact continues to haunt him. We examine how Guts' relentless quest for revenge might be a means of escaping the emotional trauma inflicted upon him by Griffith, even if it keeps him trapped in a cycle of violence and self-destruction.
