Introduction: Re-experiencing the Darkness – A New Look at Berserk

The Berserk manga, created by the late, great Kentaro Miura, stands as a cornerstone of dark fantasy. Its complex characters, brutal action, and deeply philosophical themes have captivated readers for decades. This Deluxe edition represents more than just a reprint; it's a reimagining. Higher resolution scans, improved color reproduction, and perhaps even supplementary materials such as author notes or sketches elevate the reading experience to new heights. This volume, "The Falcon of the Millennium Empire," likely picks up the narrative from a point of significant upheaval, building on the events of previous volumes and further weaving the intricate tapestry of Guts's journey. The introduction serves to bridge the gap between previous volumes and this new, enhanced edition.
