Book Concept: Bill Dahlin: Sheridan, Wyoming – A Legacy of Resilience

Concept: This non-fiction narrative biography explores the life of Bill Dahlin, a fictional but compelling character whose journey mirrors the challenges and triumphs of generations who have shaped Sheridan, Wyoming. It's a story of perseverance against the backdrop of the changing American West, weaving together personal struggles with the broader historical context of Sheridan's evolution.

Target Audience: Readers interested in Western history, biographies, stories of perseverance, and the impact of environmental changes on communities.

Compelling Storyline/Structure: The book will utilize a dual timeline structure. One timeline will focus on Bill's life from his childhood in a rugged, early 20th-century Sheridan to his present-day struggles with modern challenges. The other timeline will delve into Sheridan's history, connecting Bill's personal experiences with significant events and changes affecting the town—ranching decline, tourism boom, environmental concerns, and socio-economic shifts. The narrative will weave these timelines together, showing how Bill's life reflects the larger story of Sheridan.
