Chapter 1: The Great Beings and the Creation of the Masks: Forging Power from the Void

The Kanohi Masks owe their existence to the enigmatic Great Beings, powerful entities who crafted the universe of Mata Nui. Their creation was not a simple act of fabrication; it was a process infused with immense power and careful consideration. The Great Beings poured their knowledge and energy into creating masks imbued with unique and potent abilities. This wasn't simply about creating functional objects; it was about imbuing them with a piece of their own essence, forging tools capable of shaping destiny. The very act of creating the Kanohi Masks reflects the Great Beings' mastery over the elemental forces and their understanding of the universe's intricate workings. The process itself remains shrouded in mystery, adding to the allure and mystique surrounding these powerful artifacts.
